SUBJ: Health Consultation: Evaluation of Lead in Vegetables (September 2003)

Dear Mrs. Tunsill:

Pursuant to your request from October 10, 2003, enclosed with this letter, please find five (5) copies of the Health Consultation: Evaluation of Lead in Vegetables. I apologize for the delay, but the contact from the Agency of Toxic Substances and Disease Register (ATSDR) was out for a number of days, and it took some time to receive the corrected, complete copies.

If you have any questions on the consultation, I suggest that you call Bob Safay, of ATSDR, at 404 562 - 1782. I can be reached at (404) 562 - 8938 (toll free - 1 800 435 - 9234).

Sincerely,

Wesley S. Hardegree
